

Worleston Main Road Playground Survey

Worleston & District Parish Council are looking at improving and replacing the current playground equipment and area located at the Old Hut Site on Main Road.

We are seeking the views of the local community about what they would like to see in terms of new play equipment and facilities. This survey should take you no longer than a few minutes to fill in. Your answers will provide us with the feedback needed to ensure that we provide the correct equipment and play area best for the community and its users.

As well as this survey, there will be a drop-in session for you to look at various design options. More details will be sent nearer the time and published on various notice boards around the parish.

The survey can be completed online at <https://www.surveymonkey.co.uk/r/PlayWorleston>

If you prefer to submit a paper response then copies of the survey can be printed, completed and returned to Hulses Bakers, Main Road where a collection box is kept.

This is a great opportunity to express your views, so please complete this questionnaire and take part.

Thank you in advance for your participation.

Worleston & District Parish Council
